P R O F I L E

Hi, unfortunately I have no experience in commercial development, but I am ready to study a lot in order to change my profession.

E D U C A T I O N

● **MASTER OF METALURGY**
Metalurgy Academy of Ukraine
2012-2018

● **Web Developer**
Udemy
2019-2020

S K I L L S

- HTML
- CSS
- SASS
- JavaScript
- React
- SQL
- Redux

E X P E R I E N C E

- **Senior cashier**
From 2014 to now | McDonald`s
Working for this company showed me that I don't have to give up.
- **Hard-working student**
Present Tense
Now I am working hard on myself and I want to find my first job in IT.

C E R T I F I C A T E S

Udemy Certificate

The certificate I received myself during training on the platform Udemy

R E F E R E N C E S

unfortunately I don't have anyone to refer to yet

Hope I have a friend and mentor soon
